

Electronic Signature Consent

You have been authorized to complete online documents in connection with your employment and receive legal notices throughout your employment electronically. During this process, you will be asked to "sign" one or more of the online documents with an electronic signature. Please read the following carefully regarding the electronic signature/notice process.

You have 2 options to sign a document electronically:

1. Sign your name on the signature pad using either your mouse or your finger, if you are on a touch device, and click the "I Accept" button appearing at the bottom of the document.
2. Fill out your name and last four digits of your SSN and click the "I Accept" button appearing at the bottom of the document.

NOTE: Your electronic signature will not be applied to the document until you correctly complete all of these steps.

If you want to make changes in information you provided, click "Back" button on your browser. If you do not agree to sign the document electronically, click the "Decline" button.

At the conclusion of this transaction, you will have the opportunity to download and print any documents viewed or signed during this electronic transaction. You may also request paper copies of documents or disclosures if you prefer to do so.

Your Background Checks

for a free copy of the documents you sign. Proper identification will be required before such information is provided.

Once the signature process is completed, your electronic signature will be binding as if you had physically signed the document by hand.

If at any point you would like to withdraw your consent for your electronic signature, or if you need to update information needed to contact you electronically, please contact Your Background Checks at 800-555-1212 or service@yourbackgroundchecks.com. Any withdrawal of consent will be effective as of the date it is received.

Please click "I AGREE" if you consent to provide an electronic signature rather than a handwritten signature in connection with any application or background screening documents and whenever you sign documents on this website and to receive notices and documents electronically in connection with your application for employment and background screening process.
